

Assistant Director for Research and Reports

3 April 1958

THRU : Chief, Economic Research Area, ORR  
Chief, Materials Division, ORR

Tire Production in the USSR

REF : Your memorandum, same subject, dated 31 March 1958

1. Attached please find two short papers dealing with the tire industry of the USSR. They were prepared in accordance with reference memo and your verbal instructions of 1 April.

2. The longer of the two papers is for transmission to Congressman Lipscomb by Mr. Warner. It is responsive to the questions asked of this agency by Congressman Lipscomb. The shorter paper covers the additional questions addressed to the Department of Defense, and does not duplicate the first memorandum.

3. Also attached is a draft covering letter to
